

# Preschool through 5th Grade is gonna get **Orange 252 Basics**

**Sundays, 9:40-10:50 am, 3rd Floor, Preschool-5th Grade**

**What is it?** *Orange 252 Basics* is a new way for kids to grow in their faith in God and in their discipleship with Jesus. It helps them discover how they bring the light of the Holy Spirit to the world around them. *Basics* combine[s] the LIGHT OF THE CHURCH (yellow) with the HEART OF THE FAMILY (red)” to grow kids’ deep faith and discipleship ([www.whatisorange.org](http://www.whatisorange.org)).

**Why Orange 252 Basics?** Because it teams up kids, parents, and leaders to ensure that “every kid grows up believing [that]:

I can trust God no matter what.

I need to make the wise choice.

I should treat others the way I want to be treated ([www.thinkorange.com](http://www.thinkorange.com)).”

**What’s it like?** Each Sunday at *Basics*, leaders coach, guide, play with, and learn with preschool—5th grade kids, and give kids’ parents and guardians tools to interact with and apply the kids’ spiritual experiences throughout the week!

During *Basics*, kids experience the contagious excitement of an interactive large group story experience AND the fellowship of small group games and experiments with their friends (pre-3rd graders & 4th-5th graders together). At the *Basics* experience each week, kids will :

Greet each other during the PRELUDE welcome;

Meet and hang out with friends during the SOCIAL segment;

Experience God’s truth through interactive STORY experiences;

WORSHIP and respond to God with their friends;

Connect with each other within the security of SMALL GROUPS; and

Share their *Basics* experiences with their families at HOME and live out their growing faith each week.

***Preschoolers—5th Graders (& families):***
